

How to prefarm for characters you know nothing about?

featuring Ifa and Escoffier

Sumeru Journal Club Theorcrafting

April 9, 2025

Why prefarm?

Why prefarm?

- I spent 2 weeks of resin getting 2 teams ready for abyss

Why prefarm?

- I spent 2 weeks of resin getting 2 teams ready for abyss
- Getting the mora and talent books alone is mathematically impossible without resin refreshing

Why prefarm?

- I spent 2 weeks of resin getting 2 teams ready for abyss
- Getting the mora and talent books alone is mathematically impossible without resin refreshing
- I refuse to resin refresh

Why prefarm?

- I spent 2 weeks of resin getting 2 teams ready for abyss
- Getting the mora and talent books alone is mathematically impossible without resin refreshing
- I refuse to resin refresh
- I will be pulling the newly announced characters

Why prefarm?

- I spent 2 weeks of resin getting 2 teams ready for abyss
- Getting the mora and talent books alone is mathematically impossible without resin refreshing
- I refuse to resin refresh
- I will be pulling the newly announced characters
- The time to start prefarming is now.

Ifa

- 1 Vayuda Turquoise Sliver
- 1 Vayuda Turquoise Fragment
- 9 Vayuda Turquoise Chunk
- 6 Vayuda Turquoise Gemstone

How do we solve this?

How do we solve this?

- 190 resin worth of mora = 600000

How do we solve this?

- 190 resin worth of mora = 600000
- 190 resin worth of books = 40

How do we solve this?

- 190 resin worth of mora = 600000
- 190 resin worth of books = 40
 - We can get this from the teapot and Events

How do we solve this?

- 190 resin worth of mora = 600000
- 190 resin worth of books = 40
 - We can get this from the teapot and Events

But how do we get the Shivada Jade and Vayuda Turquoise?

- 5 days of extra resin starting today = 1000 resin
- 1000 resin = 25 boss runs!
- I still need the following boss drops for Fontaine characters:
 - 50 drops from Icewind Suite - Coppelius
 - 38 drops from Icewind Suit - Coppelia
- **Problem solved!**
